

SERVICE DETAILS

With this Fortnightly service, UAFL offers and operates the only container service in the market with direct vessel call into Pemba port. It is the safest way for customers to deliver their cargo into and out of the Northern Parts of Mozambique, as well as the hinterland region of Malawi. The Pemba call on this service positions UAFL as the ideal Shipping partner for Oil and Gas Projects in the region. The service also acts as a shuttle service between Mutsamudu, Moroni and Longoni.
